# Customer Information

## We Welcome All New Customers

---

We are committed to giving you and your company the best possible service available.

Please contact your sales representative so that they can make you familiar with all of the products and services we have to offer.

---

### Distribution

Over 67,000 products available worldwide from 15 nationwide distribution centers.

### Freight & Ordering Policy

Information on our freight policy is available from your representative. For your convenience, some of the items represented in this catalog may be shipped from the manufacturer. We reserve the right to adjust our freight charges. Minimum order quantities may apply. Large quantity or case pack orders may have additional discounts; please consult your local sales representative.

### Shipping Information

It is our intention to provide you with shipping service, whether from this location or directly from the manufacturer. Some of the items listed in this catalog may not be available in all parts of the country. We will alert you to this situation when an item that you have ordered is unavailable.

### Manufacturer Warranties

The manufacturer provides the warranties for the products listed in this catalog. We will provide our customers with any assistance in obtaining literature to explain these warranties or other products that these manufacturers produce. However, we make no warranties, either expressly or implied, on any of the products represented in this catalog or sold by us. Any liability for consequential and incidental damages is expressly disclaimed.

### MSDS Information

MSDS literature on the products in this catalog is prepared by the manufacturer and is deemed to be reliable and accurate. However, we make no warranty as to the reliability or accuracy of this information.

### Sales Tax

We are required by law to collect all Federal, State and Local taxes that apply to your shipment. If you are tax exempt, an original tax exemption certificate is

required for our records in order to process this information.

### Pricing & Disclaimers

The information contained in this catalog is provided "AS IS" and without warranty of any kind by any person, including without limitation, Ace Hardware Corporation and the publisher. This catalog is intended for the professional trade only and not for individual consumers. The prices published in this catalog are suggested by Ace Hardware Corporation, Oak Brook, Illinois, and may vary at independent Ace retailers. Actual prices may be higher or lower than those published in this catalog. All products, prices and specifications are subject to change without notice. In some instances, quantity discounts may also be available. We reserve the right to correct any printing errors.
